

# FGA-345

## Automotive-type Radio Adapter for JMCB-2003

## Installation and Operation Instructions

### Equipment Description

This kit provides an adapter cable to connect the JMCB-2003 to an automotive-type or factory installed radio.

### Installation

- 1) Locate both left and right external speaker wires.
- 2) Splice in the four wires from FGA-345 adapter cable as per the diagram.
- 3) Route the adapter harness to the JMCB-2003 and plug into the 3-pin plug.

Thank you for the confidence you have shown by purchasing one of J&M's innovative products. If you have any questions during the installation, or require further assistance, you may call us at 1-800-358-0881 from 8:00 a.m. to 5:00 p.m. Mountain Standard Time, Monday through Friday.
